Cabrera M.T.S. 6 December 2017

MISS:

MONICA BOUWMEESTER

Her hands.-

I am very kind enough to address you, in order to communicate the following:

My name is José Altagracia Gómez Pérez, Lawyer, Communicator, Social Worker and Municipal Councilor. For the past 7 years I have been dedicating myself, as far as possible and as far as my resources and collaborations have allowed it, to help with food rations, construction of houses, surgical interventions, to people of scarce resources, (poor).

Always on December 23 of each year and uninterruptedly we have been making their Christmas dinner to families of limited resources, with this collaboration to these families, we fill with joy and happiness those humble homes that are favored with the delivery of the food they use. to prepare the already traditional Christmas dinner in the last month of the year.

We always orient these helps to the following people:

- 1.- Abandoned pregnant women.**
- 2.- Single mothers.**
- 3.- Disabled.**
- 4.- Elderly and elderly.**

This time we would like to reach more families with scarce resources, (Last year we were able to reach 75 families) so we would like to have your collaboration to positively impact the homes that last year we could not get your traditional Christmas dinner.

While waiting for your important collaboration, you say goodbye,

LIC. JOSE A. GOMEZ PEREZ

Councilor
