Here's how...

Find a donor ~ Be a donor ~ Match a donor ~ Make it happen

Find a donor - small action x lots of people = big change

It has been known that there are people with the least that sometimes do the most. Everyone that understands the importance of an initiative, no matter their economic situation, is motivated to help. If you support this initiative and/or have children in this school you can help by bringing people together by informing them of the difference El Faro de Cabrera is making in the lives of your children or the children you know.

Be a donor

Simply, contribute in any way economically or professionally that fits within your possibility to a cause that connects with your guidelines of giving.

A donation of any amount does make a difference. Regular patronage by dedicating any monthly amount contributes to the cause and further sustainability. Professional services and/or building materials as a welcome contribution as well.

Match a donor

With the benefit of being connected and registered with Benevity, if you are an employee or know of someone that could be an employee of any of one of the many companies registered with Benevity they will assist with corporate giving, match your donation or aid with volunteer programs. Let them know you support Friends of Cabrera, Inc. on behalf of Faro de Cabrera, SRL.
